Description

## Pink Tomatoes: CRUSHED HEART Tomato

---

New in 2016 by Brad Gates, Wild Boar Farm, USA. Fruits from 120 to 180 grams, truly heart-shaped, very meaty with a sharp end. Color: shades of light pink to dark pink highlighted with yellowish green streaks. Taste really good rich, sweet, delicious. Vigorous plant, regular foliage, indeterminate growth. Very good production, fruits of the same bunch ripens together mid-season until frost.
