### Description

Wanting to grow something different? Then try Bean UN METRO RAMP which is a very popular bean in Italian cuisine, growing up to 80 cm-1 m long in ideal conditions with an excellent flavor. This bean cannot thrive in cold, damp or windy conditions and requires a warm sheltered spot to give of it's best.

Yard long beans are sometimes called Asparagus beans or Chinese Long beans. This fast growing, high yielding variety thrives in the heat. It is a black seeded variety and is one of the most popular varieties grown. These extra long dark green stringless beans are highly prized because of their sweet and crunchy pods.

Also known as:

Asparagus bean, Chinese long bean, Snake bean, Yard long bean, Noodle Beans.
