### Description

Mid season variety ( 85-90 days from transplant). Indeterminate, potato leaf green/yellow/pink medium-large tricolor with a striking appearance and great flavor, from accidental cross of Lucky Cross and an unknown variety. Captain Lucky tomatoes are full of excellent tomato flavor. To me they are the perfect blend of acidity and sweetness with tinges of fruit. It's a juicy and soft tomato when well ripened. Perfect for fresh

## Green Tomatoes: CAPTAIN LUCKY Tomato
